The **NH Collection Mexico City Airport T2** hotel couldn't be better placed for the airport – it's on the 6th floor of the terminal 2 building in Mexico City Benito Juárez Airport, just a short elevator ride from the international arrivals area. Stylish and modern, the circular building is arranged around a courtyard. And the center of Mexico City is just a 30-minute taxi ride away.

- Located in the same building as the terminal 2 arrivals area at Mexico City Benito Juárez Airport
- Elegant, modern building
- 30-minute taxi ride to the Mexico City center

Our 287 spacious rooms have a contemporary feel, with sleek wooden floors and stylish touches like feature wallpaper. Soundproof glass means they're also ultra-quiet plus all rooms come with free Wi-Fi. Some of the 3rd-floor rooms look out across the runways.

- Spacious rooms with a chic, contemporary feel
- Soundproof windows
- Free Wi-Fi

For first-class international and Mexican cuisine, head to the hotel restaurant. There's also a lobby bar with an outdoor terrace as well as a gym. To help you make the most out of your stay our [Guest Relations](#) team are happy to share their recommendations and favorite places in the city.

- Restaurant serving Mexican and international dishes
- Lobby bar with outdoor terrace
- Fully-equipped gym
- If you're planning on staying with us over the weekend, book directly on nh-hotels.com/en, sign up to NH DISCOVERY and take advantage of our "Lazy Sundays", which include a late checkout (before 3pm) free of charge.
